

Leadenham CE Primary School

I have had such a warm welcome by the whole of Leadenham community, in my new role as Headteacher this term. It has been my absolute pleasure working alongside such fantastic and dedicated staff and helping to inspire the minds of our brilliant and creative children.

We have had a very busy term, celebrating the 70th Anniversary of VE day by attending a service at the school and then writing prayers and thoughts and attaching these to a balloon as part of a school community balloon release.

Also, inviting the community to join us in celebrating St George's Day by having afternoon tea with the Headteacher. We have also marked Ascension Day by having an inspiring service lead by Rev Healy followed by kite flying in the school field.

It has been a particularly challenging but rewarding time for our Year 6 children who took their SATs at the end of May. They have worked with determination and enthusiasm towards their goals and we are all very proud of their commitment to learning. They are now focused on the annual Church Schools Festival held at Lincoln Cathedral and preparing themselves for transition to secondary school.

We are looking forward to the last term of the academic year, preparing for our sports day and other sporting events. Year 2 are working hard towards their SATs and the whole school are looking forward to their next themes that they will be studying.

I am delighted to announce that our partners based at Leadenham CE Primary School, Dappledown House, will be offering a holiday club, at the school, during half term. Please do contact us for more information: 01400 272702

Please do visit our website at www.leadenhamprimaryschool.co.uk to view upcoming events and pictures, as well as learning more about our fantastic school.

Matthew Nicholson
