### Welcome service for all our new starters

On Friday 29<sup>th</sup> September, we will be attending a special service for all our new Reception pupils and new starters in school. The service will be held at Leadenham Church and will start at 9:30am. Families are warmly invited to join us for this special event, we hope you can make it.

### The Big Project 17-18 – Mission to Space

Every academic year we plan a project which includes the entire school. It is designed to inspire pupils and give them a sense of awe and wonder. Last year was our Mongolian yurt and cultural experience, the year before that was our palaeontologist workshop and visit from Sophie, the life size animatronic T-Rex.

This year we are starting the year with our project entitled – “Mission to Space”. Pupils across the school are already planning for the project, sending Oakley (our bear mascot) into actual space! Working with the team from *Sent Into Space*, once the atmospheric conditions are perfect, we will be sending Oakley and a box of the pupils work into space. The whole journey will be recorded by a camera strapped to Oakley and retrieved once it returns to Earth. It is going to be an out of this world experience, demonstrating to our pupils that there is no limit to what they can achieve.

### School Uniform

School uniform will be available to buy at the school office. New stock is expected in by Friday 22<sup>nd</sup> September. At which point book bags will be issued to all new starters. Also a quick note that new lids for water bottles are available, rather than having to buy an entire new bottle.

### Jeans for Genes Day - advert

We are Showing our support for the charity Jeans for Genes - Come into school in your jeans Friday 22<sup>nd</sup> September – (Suggested donation £1).

### Attendance = Achievement

We pride ourselves that our school has a fantastic attendance record when compared to similar schools nationally. As a result, pupils across school make brilliant progress and our pupils are ready to learn and take part fully in school life. We appreciate everyone's support in achieving high attendance and helping our pupils to achieve their best.

Thank you for your continued support
